Rarely do I ever witness 2004 Vessels that shine as much as this Cobia! Plus, ALL electrical are working as they should. The upholstery looks brand new both inside and on the cockpit.

> Additionally, we just had a work order completed for two new macerator pumps, a new Sunbrella premium canvas top, new interior fabric on the filler cushions (not pictured but included), and a BRAND NEW Garmin touch screen unit. (The prior unit was missing.)

> The Yamahas run fabulous. The hour meters show just 660 hours. (Our Sea-Tow captains have over 13,000 hours on their F225s and still running strong&hellip; What a difference four strokes make!).

> I, personally, would not hesitate to run the Bahamas with this Cobia 5 times over.

> The only real complaint that I found was some typical small marks on the port hull side, which is, likely, a result from the dock where it was pulled for haul-outs. (Common.) We had the local gelcoat guy touch-up the spots, however, the color difference can be seen when viewed close up.

> The foreclosing bank note was \$77,299.46. Note that this does not include other monies such as down payments, repossession costs, upgrades costs, electronics, etc. We are **ENTERTAINING ALL REASONABLE OFFERS TO SELL THIS ONE IN A TIMELY MANNER.**
