Check out this custom painted sport center console. The gloss black hull with ghosted gold flames on the bow go perfectly with the black Mercury Verado 4 strokes. This Donzi has a great layout for pleasure but can still fish. The oversize radar arch is great for keeping weather or sun off. Up in the forward cabin you have cushions to overnight and also DVD with Flatscreen TV. The head and sink are in the console and the boat has forward L-shape seating with storage, Bolster helm seats, cooler seat, and full rear seat with back rest. There is plenty of storage everywhere and multiple floor fishboxes. The rear seat has storage and livewell too. There is fresh water shower, raw water washdown for easy clean up. Electronics include Raymarine E120 color GPS/Depth, Icom 422 VHF, Clarion CD stereo with extra speakers, remote spotlight, and electric anchor windlass. The low 324 hour 250 Verado four strokes will let this hot rod run but do it on regular fuel. The Donzi hulls are known for performance and this one will not dissappoint, it even has real K- plane trim tabs. Don't miss this beauty. Trailer not included
