Overview

The Donzi 38 ZFX is a bold departure from traditional center consoles, offering sophisticated style, luxurious wraparound seating, and breathtaking performance never before associated with boats of its type. New for 2009 are an available carbon fiber sport dash with full instrumentation and leather-wrapped steering wheel, and optional electric bolster seats with integrated controls. Tuck yourself into this richly-padded seat with the throttles right at your fingertips, and you'll find that taking the helm of this offshore rocket is a surprisingly comfortable, confidence-inspiring experience.
