Holding: 13

### Vessel Walk Through

Starting at the bow, there is a stainless anchor and molded hull plate. An opening anchor locker on the foredeck reveals a 12v windlass and chain rode.

There are two foot control switches located on deck next to the anchor locker. The decks are diamond pattern nonskid with stainless pop up cleats and an opening circular hatch. Moving aft, there is a windshield with an aluminum framed top with black sunbrella canvas and EZ2CY 4 sided enclosure. Raymarine radar, search and flood lights, VHF antenna, GPS antenna, and steaming/anchor light are mounted on top. There are 2 side mounted rocket launchers and 7 aft mounted along the half tower frame. Moving aft starting from the stern, there are triple Mercury 275

HP Verados on the transom with a well forward and opening door into the cockpit. Shore power and TV/phone receptacles and shower faucet with hot and cold water is located in the transom. Moving into the cockpit, there are salt and fresh water washdowns, JL stereo speakers, and a white upholstered bench seat in front of the transom with a livewell below and access to the bilge pumps, battery selector switches, hydraulic reservoir and blowers. There are 4 rod holders mounted in the cockpit combing. Forward of the transom is an upholstered bench seat with storage and a baitwell located underneath. Forward of the bench seat are three opening hatches in the deck. The center one is access to the bilge pump, Doc. plaque, and generator, to port is gen battery and hot water heater, and to stbd. is house and engine batteries. There is an opening hatch in the deck just aft of the helm seat that gives access to the fuel tank and shut off valves. There are fish boxes mounted for and aft on the port and stbd. sides as well as opening cabinets with tackle boxes. The helm is mounted at centerline with an upholstered bench seat with extendable electric bolsters, fold down foot rests, and 4 gold rocket launchers mounted across a railing behind. The helm station includes dual Raymarine E120's, ICOM VHF, Livorsi hydraulic steering ,throttle and shift controls w/trim buttons, rocker switches for pumps, blowers, horns, nav lights, etc., Kenwood stereo remote, fuel, oil pressure, trim and volt gauges, Mercury smart craft displays, speed and depth, 4" Ritchie compass, remote windlass and spot light controls, and ac discharge. Forward of the helm to port is an L shaped upholstered settee and oposite to stbd. is a small seat for two. There are stainless drink holders mounted above the settee's. There is an opening hatch in the deck forward of the helm with a removable storage box with a drain. Life jackets are currently stored here. Moving forward is the sliding companionway door with an air conditioning control located to port. Stepping down two steps into the cabin, there is a teak and holly sole. To port is a hanging locker and a cabinet containing a new Kenwood stereo am/fm/cd. Moving forward is the galley with corian countertops, Princess single burner electric cooktop, stainless sink basin with hot and cold pressure water, mirrored storage cabinets, Tappan microwave, Refrigerator/Freezer, 110v GFI, Decorative 12v lighting. Forward is a beige upholstered V berth with a Corian hi/lo table with Fountain insignia. Headliners are also beige. There is a mirrored bulkhead forward of the V berth with anchor locker behind. To stbd and aft of the V berth is a 12" Sharp TV on the bulkhead with the 110v circuit breaker panels behind black plexi doors beneath. Aft again is a cherry wood door leading into the head, with vacuflush toilet, Corian countertop, stainless sink basin, hot and cold pressure water, mirror, storage cabinets, shower with curtain, 110v GFI receptacle, ac discharge, tank watch monitor, and 12v lighting.
