### Accommodations/Walkthrough

The Riviera 33' Flybridge Convertible has one stateroom forward with centerline queen berth, galley down to port and dual access head with stall shower to starboard.

### SALON

Enter the salon from the large unobstructed cockpit. To port is a comfortable Beige Leather U-Shaped settee with teak fold-out Hi-Lo Table which converts to a double bed.

To Starboard are multiple storage lockers and U-Line Ice Maker. Moving forward and across the ceiling are built-in Sharp Aquos Flat Screen TV, AM/FM Stereo with CD, Icom VHF Radio and electrical system read out panel lights. The Teak and Holly floor has an access hatch to the engine room with gas filled struts and the salon windows are shaded with Roman blinds.

### **Galley**

Down one step from the salon and to port is the galley with teak & holly flooring and access to large storage and pump room below.

- Molded in sink with drain board
- Refrigerator (Koolmatic) AC/DC
- Microwave (Tappan)
- Dual Burner cook top (Eurokera)
- Ac electrical panel with generator start/stop
- Large storage cabinets & dish lockers
- Water tank gauge
- Overhead lighting
- Trash Receptacle

### **Master Stateroom**

The master stateroom is forward and boasts a queen size centerline berth with inner spring mattress and storage below. To port is a large hanging locker and to starboard is the access door to the head. The deck hatch above has slide away blind and screen. There is additional storage outboard and 12V reading lights above the berth.

**HEAD:** The dual access head is to starboard and has a molded in sink, fresh water Vacuflush toilet, a large stall shower with seat, Large medicine cabinet and exhaust fan.

- Holding tank level indicator
- Overhead lighting
- Shower sump pump
- Mirror
- Opening port light
- Glass shower partition

### **Flybridge**

The huge flybridge contains a large helm console with full engine instrumentation, forward bench seat, dual upholstered helm seats, safety hatch in deck with gas filled struts, Hard top with overhead stainless grab rails and full 4-Sided enclosure with U-Zips.

- Stainless Hardtop supports & overhead grab
- rail
- Electronic single lever controls
- Volvo Engine monitoring
- Search light w/remote controls
- Stainless bridge rails
