Holding: 11 gallon

Manufacturer Provided Description

The Wellcraft 290 Coastal has a comfortable helm with easy-to-read gauges, seating for two, an adjustable captain's chair and beverage holders close at hand. The bait prep area is easily accessible and even easier to clean. For the serious fishing trip, there's an insulated 42-gallon lighted livewell and large fish boxes in the cockpit. The full-height transom has a door that leads to the integrated swim platform. All of the deck hardware is stainless steel and through-bolted. The large forward cabin of the Wellcraft 290 has twin pilot berths, and there's a dinette that converts to another double berth in seconds.
